

Celery Airplane Craft

Materials Needed:

- Graham Crackers
- Celery
- 2 Rolos
- Peanut Butter
- Toothpick

Directions:

1. Cut celery length-wise to the size you want your airplane.
2. Add peanut butter to the inside of your celery stalk.
3. Unwrap Rolos and add to each side of you celery stalk with a toothpick.
4. Cut your graham cracker, down the middle, length-wise.
5. Using your peanut butter, add your graham cracker wing to the top of your celery stalk.
6. Cut two very thin pieces of celery and attach to the front of your celery stalk for your props.
